

# EHSAN **NADERI DONIG**

UNIVERSITY STUDENT

## About Me

I am an undergraduate student in computer engineering and chemistry science(minor) at Sharif University of Technology which is the best university in Iran based on the 2022 QS rankings. I used to study chemistry at high school which end up with a gold medal in Iran chemistry olympiad and silver medal in international chemistry olympiad(icho 2021).

## Education

- **2021 - Present** **Bachelor of Computer Engineering**  
Sharif University of Technology, Tehran  
Final Grade: 18.7/20
- **2021 - Present** **Bachelor of Chemistry Science**  
Sharif University of Technology, Tehran  
I used to be a chemistry olympiad student therefore i decided to study in this field beside my major field(Computer Engineering)
- **2018 - 2021** **High School**  
Atomic Energy High School, Tehran  
Final Grade: 19.58/20

## Achievements

- 🏆 **Gold medal in Iran chemistry olympiad(ircho 2020)**  
Description of the achievement
- 🏆 **Silver medal in International chemistry olympiad(icho 2021)**  
This olympiad was held in Japan
- 🏆 **Silver Medal in International Mathematics Competition(IMC 2018)**  
Description of the achievement

## Projects

- 2023 **FINANCIAL SUPPORT**  
*CENTRAL BANK OF IRAN*  
prediction using machine learning
- 2023 **MOVIE RECOMMENDATION**  
*Duoblocks org*  
we found relations between people's movie choices using graphs and k-mean clustering. we used python and its related libs.

2023

### CAFE WEBSITE

designing website of hexa cafe

2022

### SIMULATION OF CIVILIZATION V

#### Organisation

It was my university "Advanced Programming" project. I did this project with Java programming language and the graphic part was done with javafx.

2022

### SIMULATION OF STATE.IO

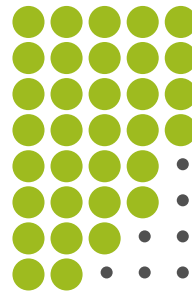

#### Organisation

It was my university "Fundamentals of Programming" project. I did this project with C programming language and the graphic part was handled with SDL.

## Skills

### programming language

C  
C++  
Java  
Python  
Javascript  
tensorflow  
SQL  
pytorch

### Web development

React

## Course

### MACHINE LEARNING SPECIALIZATION

*coursera, deeplearning.ai, stanford*

Machine Learning by Andrew Ng

### DEEP LEARNING SPECIALIZATION

*coursera, deeplearning.ai*

deep Learning by Andrew Ng
